HIRE COMPANY**

Blantyre, Malawi
Founded in 1999

BRAND SUMMARY... ABOUT US

BD Cargo is a Malawian-owned plant and heavy machinery hire company, founded in 1999 by James Chiomba. The company offers a wide range of well-serviced site heavy construction equipment for hire such as:

- Excavator
- Forklift
- Bomac Rollers
- Grove Truck Crane
- Mixers
- Transport Container
- Earth Moving Vehicles

BD Cargo prides itself as one of Malawi's top equipment rental service company with the capability to provide a diversified range of construction equipment and value-added services to customers. We believe our principle strength is our solution flexibility when it comes to pricing to suit customer needs. For example, when billing, we consider the following parameters; hourly and daily rates and operators' allowance. At times, we forego operators' allowance.

We also offer 10% standard discount for non-profit organizations that do charity work. 15% is given as discount to church establishments as part of our marketing effort.

OUR VISION

Our vision is focused on world-class heavy machinery and plant hire service delivery, ensuring efficiency in the construction sector in Malawi and beyond.

OUR MISSION

Our mission is to strive to avail a one-stop solution for good quality and reliable heavy machinery for construction, engineering and mining needs. We work to boost the working efficiency of the construction sector and reducing the cost at the same time.

OUR VALUES

BD Cargo was established on the foundation of progressive values:

- Honesty
- Trust
- Safety
- Quality & Innovation
- Great Customer Service

OUR TEAM

Our team is dedicated to great customer service delivery and equipment performance, ensuring a win-win result. We aim to support genuine growth of the construction sector in Malawi.
