# BRAND SUMMARY.. ABOUT US

## Background:

JSJ Freight International (PVT) Ltd started operations in Malawi in 1994 as a customs clearing and freight forwarding company, wholly owned by Malawians. Currently, we work with clients in Malawi and everywhere in the world who want to import and export goods into and from Malawi. J.I. Malivasi founded JSJ Freight, after he had worked for over thirty years in the logistics industry.

The company grew rapidly and built a solid branch network at all major ports in Malawi, helping customers get the best logistics services they need at competitive rates.
